These discounts apply only to panelboard and switchboard assemblers who incorporate AB breakers into their completed products, which they design, engineer, manufacture, advertise, sell and service under their own trade names.

Westinghouse retains the right to disallow these discounts at any time, if in the opinion of Westinghouse, the equipment is not being used in accordance with the intent of the qualifications stated herein.

This discount is extended by Westinghouse with Headquarters approval. ②

Resale Prices Are Suggested Only

- Changed or added since previous issue.
- ① Except Handle Mechanisms shown in Frame Books are CB-14.
- ② This approval is issued on Westinghouse Form 7119.
