Prices and discounts are subject to change
without notice.

Price Policy – Electronic Meter Products Effective May 1, 1988

Prices for all electronic meter products shall
be subject to change to the published prices
in effect at time of shipment, except that
shipment against orders on the books at the
time of any subsequent price increase will
be price protected for the period of time
stated in the subsequent price increase.

Minimum Billing

The minimum billing charge shall be
\$100.00 on all electronic meter products.

Terms of Payment

Policy A from Selling Policy 50-000 is appli-
cable. An invoice will be issued when each
unit is shipped and terms of payment are
net within 30 days from date of invoice.

Special Tests and/or Test Reports

When the requirements include any special
witness or other tests, certified test reports,
or other special routines, prices are nor-
mally higher than the standard listed prices,
and these requirements must be specifically
negotiated.

Warranty

Warranty from Selling Policy 50-000 is
applicable except optional warranties 1 and
2 are not available.

Classes of Purchasers

| Class | Discount Schedule |
|---|----------------------|
| Classified Users: Includes direct served Electrical Utilities, Industrial Users, Educational Institutions, and U.S. State, County and Municipal Governments. | 42-201 |
| Resale: Distributor served customers. | 42-203 |
| Manufacturers: Electrical equipment manufacturers ^① purchasing for resale with or as a part of their product who have Headquarters approval and for whom Form 7119 has been executed. | 42-204 |
| Distributors: A reseller appointed by Westinghouse with headquarters approval and execution of Distributor Agreement Form 24302 and Form 7120 | 42-208 |

① These manufacturers make and sell equipment for
which meters become component parts, losing their
identity as separate pieces of apparatus.
