Type WL-2 Instruments and Control Switch

Ordering Information:

The type WL-2 switches listed in this price list are complete, assembled units and include the switch unit, magnet-coil assembly, white nameplate and black oval handle.

All styles bearing symbol ② are stocked and should be ordered on W89 warehouse.

Those styles not indicated as a stock item should be entered on W-19 Quick Ship Program through Telecomputer Center, giving RAMAD number. (Refer to P.E.G. 120 for RAMAD number.)

Should a type WL-2 switch be required that is not covered by the style numbers listed in table 1, refer inquiry to E. Pgh. works, P.S.E. Sales, 11L, stating, for example, "Similar to S#796A200G01" then outline all exceptions.

Upon receipt of inquiry, if possible and feasible to build as requested, a style, RAMAD number and price will be quoted in reply. Such item shall then be entered on W-19 Quick Ship Program as outlined above.

Table 2 of D.B. 34-253 covers all available contact tabulations through eight stages for the type WL-2 switch with the exception of "make before break" contacts. "Make before break" (overlapping) contacts are considered a modification and inquiries for such switches should be referred to Westinghouse.

All prices shown herein are list each and subject to multipliers, terms and conditions of Selling Policy 34-000.

Refer to Descriptive Bulletin 34-253 for complete switch description.
