

STRAIN INSULATORS

FEATURES

- Purified Porcelain
- Controlled Compression Glaze
- High Mechanical Strength
- Excellent Electrical Characteristics

H-44846A

MECHANICAL, ELECTRICAL VALUES

Cat. No.	USASI Class No.	Tensile Strength Pounds	Low-Frequency Flashover—KV	
			Dry	Wet
502	54-1	10,000	25	12
504	54-2	12,000	30	15
506	54-3	20,000	35	18
556	54-4	20,000	40	23
559	—	33,000	55	28
